

BE A PART OF OUR HELP FOR HOMES (HFH) 2016 EVENT FOR LOW INCOME SENIOR AND DISABLED HOMEOWNERS!

The HFH is a service to Brighton's low income senior or permanently disabled homeowners who need exterior home repairs, painting and yard work and cannot afford a commercial company to provide these services. Gratefully, over the years hundreds of volunteers have rallied to fill the gap - providing free labor and optimism - one house at a time. Let's keep the program going!

Join us on Saturday, May 14 to help those in Brighton needing assistance with their homes. Either volunteer yourself or, better yet, recruit a team of 8 to 10 people (*from your office, church, family, club, bowling team, whatever...*) and sign up today!

*This program is being jointly sponsored by
Brothers Redevelopment, Inc. (BRI)
and the City of Brighton*

YOUR JOB

- ⇒ Show-up Saturday, May 14 from 8:00 am - 4:00 pm.
